**AESBL CEU REQUIREMENT NOTICE**

**2015-2016 Renewals**

June 18, 2014

To afford similar consideration as was given for the two-year renewal applicants for 2014-2015, the CEU requirements for 2015-2016 renewals for individuals working for companies with a name beginning A – H (those that renewed for one year in 2014) will be as follows:

- |  |           |
|--|-----------|
| 1. Alarm personnel—QA's and installers | 1.2 CEU's |
| 2. Salespersons                        | .4 CEU's  |
| 3. Locksmiths                          | .8 CEU's  |

For locksmiths who renewed for one year in 2014, the AESBL will consider a carryover of up to .4 CEU's that were submitted with their 2014 applications if the .4 CEU's were submitted on a separate Certificate of Completion for a training class. If a locksmith has a carryover of .4 CEU's then he/she will only need an additional .4 CEU's to meet the .8 CEU's annual requirement. Note: If you have any question as to whether or not a certificate you plan to use to carry over .4 CEU's will be approved, please submit a copy of it now so that the AESBL staff can review it and pre-approve it. The AESBL staff will return a copy that has been marked "Approved" and it will be signed by the Executive Secretary. You will need to submit a copy of the approved certificate along with your 2015-2016 renewal application to ensure proper credit.

There will be no carryover allowed for alarm personnel since the Board voted at its November, 2013 meeting to leave the QA and Installer CEU requirement at 1.2 CEU's, annually, and the Salesperson requirement at .4 CEU's, annually.

After 2015, all two-year renewals must meet the CEU requirements as stated in the Administrative Code.
