Second Trade Show & New Board

Thanks go to all the people that helped make our Second Show Even Greater than the first:

So many people to thank I just don't know where to start. Beryl Adkisson ran the associations booth, Amanda Turner and girls helped check people in, Van Johnson, Bryan Rayburn, Keith Ledbetter, Sonny Pierce helped the vendors get in place, and call out winners of door prizes.

Our Sargent of Arms Troy Bramlett made sure everything went smooth. Mellisa Johnson (Van's wife) took all the pictures of the show and they are great.

I posted some of them on Alabama Locksmith page on facebook. I had help from Allison Griffith on taking money for classes and making certificates and many others helped in so many ways. I have to say if you haven't been to an

Alabama Locksmith Trade Show, you don't know what you are missing. Great classes with some well known teachers. Lots of FREE classes, great deals on tools, locksmith supplies, new product demos. Our Association Logo on shirts, hats, jackets.
